

Press Release No. 30/2017

Dt. 12.05.2017

Booking tanker supply for water in the respective filling stations will continue –
CMWSS Board.

Chennai Metro water has introduced and implemented recently a new system for tanker supply of water thro' on line booking and centralized booking for the convenience of general public, since 08.05.2017.

It is further clarified that the existing system of booking over phone to the respective filling stations will continue in view of heavy demand from the residents.
