

**Not to engage outsiders for availing water service connections – Chennai Metropolitan Water Supply and Sewerage Board**

On commissioning the Ullagaram - Puzhuthivakkam comprehensive water supply scheme, applications for providing water service connections to the residents of Puzhuthivakkam Bus Terminus, M.G.R. Nagar and Aruljyothi Salai were issued from 30.07.2016 onwards and house service connections are being effected in the above locations after registering and collecting the necessary connection charges, by CMWSSB. Complaints are received regarding intervention of middle men to avail the facility provided by CMWSSB.

The residents of this area are requested to contact Metro Water officials of the respective locations for any clarification towards obtaining water service connection and not to engage any outsiders or middleman for availing the services of the Board. Prescribed applications are made available in the offices which is self explanatory on the procedures to obtain water / sewer service connections.
