

**CMWSS BOARD SUPPLY WATER TO COMMERCIAL ESTABLISHMENTS
THROUGH MOBILE LORRIES**

The Hon'ble Minister for Municipal Administration, Rural Development & Implementation of Special Programme has convened an urgent meeting with Additional Chief Secretary cum Managing Director, Metro Water and other officials of CMWSS Board today and discussed about the sudden strike called by the private tanker lorries, based on the Hon'ble High Court directions on 03.10.2018 for banning of illegal extraction of ground water and streamlining ground water drawal for commercial purposes.

The Hon'ble Minister has ordered to mitigate the crisis arising out of the strike and provide water supply to the affected consumers such as commercial establishments, Hospitals, Educational Institutions, IT Companies & Commercial Establishments, etc. and households in Multi Storied Buildings / gated communities.

Accordingly, CMWSS Board has worked out a detail plan to supply water to the affected consumers from the Water Filling Stations of Metro Water through their own / authorized lorries from 10.00 pm upto 5.00 am daily.

To avail this facility, the consumer has to furnish a requisition letter with advance payment for a period of one week or more to draw maximum of two loads per lorry per day and their additional requirement if any, will be considered in due course..
